NIFA BARD ISRAELI APPLICATION CHECKLIST

The following is a checklist describing the process for an Israeli scientist(s) to participate in a NIFA-BARD application.

- Read the Appropriate NIFA RFA
 - [AFRI Food Security](#)
 - [AFRI Water for Agriculture](#)
 - [AFRI Food Safety](#)
 - [AFRI Foundational Program](#)
 - [AFRI Sustainable Bioenergy and Bioproducts](#)
 - Climate Variability and Change (to be published)

Read the [Guidelines for Applications that include NIFA-BARD International Partnership](#)

- Identify a US team who is submitting a proposal to the RFA above and to which you can make a significant contribution to the proposal's objectives.
- Contact BARD (Haim Katz haim@bard-isus.com Tel: +972-3-968 3982) of your intentions to submit a proposal
- [Submission of Israeli Materials for the Proposal.](#)
- Please note: The research plan per se of the Israeli investigators must be integrated into the proposal of the US project director and is not included in the process described below. On completion of the online submission, you will be able to generate the supplementary documents required by the Israeli side for the application.

Online NIFA Submission Process For Israeli Scientists

- Initiate Application using your email <http://www.bard-isus.com/>
- Enter Title of Grant Proposal (obtained from US Project Director) (Proposal Details Page)
- Add the US Project Director of the proposal as the first investigator. **This is the only US investigator to be added to the proposal** (Investigator's details page)
- Add all the Israeli investigators to the form.
- (You need not complete the entire form at one session. By clicking on the continue button on the Proposal Details Page) you will receive a temporary counter number and password which will enable you to reenter the form and continue the submission process at a later date)
